CHAIRMAN'S REVIEW

I am pleased to present on behalf of the Board of Directors, un-audited Accounts of the Company for 1st Quarter ended June 30, 2017.

The Economy

Pakistan's macroeconomic indicators continue to improve positioning the economy for a sustained upward growth trajectory. The government envisages a higher GDP growth of 6.0 percent for Financial year 2017-18 compared to 5.3 percent in the year 2016-17, as the economic benefits of the CPEC gradually materialize and past policy reforms continue to support economic potential. Current account deficit widened to an all-time high of US\$ 12.1 billion in 2016-17. Current account deficit is assuming threatening proportions and could lead to a further loss of foreign exchange reserves, depreciation in the exchange rate of the rupee and higher inflation. Pakistan's trade deficit remained US\$ 32.6 billion up by 36.3 percent as compared to US\$ 23.9 billion a year back on account of 2 percent year-on-year decline in export and 19 percent year-on-year increase in import. The government export package of Rs.180 billion fails to arrest the declining trend in export. Liquid foreign reserves decreased to US\$ 21.4 billion as on June 30, 2017 from all time high level of US\$ 23.1 billion. Remittances decreased 3.1 percent to US\$ 19.3 billion in the year 2016-17. It is the first annual decline in remittances in the last 13 years, Inflation in the country was 4.16 percent during Jul-Jun 2017 compared with 3.93 percent for the same period last year. Pakistan's per capita income rose 6.4 percent to US\$ 1,629 in the current fiscal year from US\$ 1,531 in the preceding last year. Foreign Direct Investment increased 4.6 percent to US\$ 2.14 billion in 2016-17.

The Industry

Auto sales are a compelling sign of the growing economy. The Sector closed off financial year 2017 with higher than ever sale of passenger cars with 185,781 units sold, a growth of 2.5 percent from financial year 2016's 181,145 units' sales, over taking the boom of 2007 when cars sale stood at 180,834 units.

In commercial vehicles front, truck and buses sales grew by 34 percent in year-on-year growth selling 8829 units in financial year 2017 compared to 6587 units in financial year 2016. Farm tractors sales improved by 62 percent to 54,982 units sold in Jul-Jun 2017 as against 33,986 units sold in the same period last year. Sales of motorcycles and three wheeler improved by 20 percent from 1,385,643 units to 1,825,080 units. The prices of refined and reclaimed lead increased during the quarter under review.

Sales

In order to meet severe market competition, your company had allowed extra discount to trade. As a result of which Net Sales Revenue during the first quarter ended 30th June 2017, increased by only 2% from Rs.4.359 billion to Rs.4.447 billion.

Profitability

As against 2% increase in Net Sales Revenue, cost of sales increased by 9% on account of increase in prices of imported virgin and recycled lead. Consequently, Gross Profit reduced from Rs.815.8 million in first quarter of the previous year to Rs.542.7 million. Administrative and general expenses reduced by 10% from Rs.28.8 million to Rs.25.8 million. Selling and distribution expenses increased by 15% from Rs.324.4 million to Rs.372.1 million. Financial charges increased from Rs23.5 million to Rs.30.6 million. Profit before tax reduced from Rs.404.6 million to Rs.105.1m.

Earnings per share reduced from Rs.35.42 as at 30 June 2016 to Rs.8.93 as at 30th June 2017.

Future Prospects

It is anticipated that indigenous organized battery industry will face tough competition due to capacity expansion of existing battery plants, new entrants, inflow of imported and smuggled batteries and changing market dynamics. Profitability during the second quarter of the current year will also be adversely impacted owing to increase in prices of basic raw material cost. Nevertheless, your management is determined to avail full benefits of the opportunities by continued focus on quality, productivity, cost control and after sales service to improve its competitiveness.
